Safari Outfitters offers you some of the finest ibex hunting in the world! With hunting areas in the remote reaches of the Tien Shan and Pamir regions, we offer you the opportunity to hunt the largest of the ibex species in the world, the Mid-Asian Ibex. In Kyrgyzstan, the size of ibex has been in the mid- 40" range with an occasional 50+" trophy taken.

**HUNT PRICE:** \$8,900 2x2 (minimum of 2 hunters) from arrival in Bishkek. Non-hunters at \$2,900.

**INCLUDES:** All services in the field, interpreter, firearm permit, guide and ground transportation from arrival to camp and return. 10-day schedule with 8 days of hunting. Hotels before/after the hunt are not included. In the unlikely event that you do not harvest an ibex, there will be a \$1,000 refund. Wolf can be added for \$800 trophy fee in most areas. 2nd ibex \$5,000 (if permit available).
