## Breaking Records... it's what we do!

**Ibex Only Hunt:** An amazing adventure in the mountains of Kyrgyzstan on an 8-day schedule from Bishkek for only \$8,900. Hunts are conducted with horses and you'll stay in similar accommodations as the sheep hunters. Put a group of 4 together and we'll extend a good discount! And a 2nd ibex for \$5,500.

**Want to know the best part?** Our A-Team from Moscow will be with you from arrival in Bishkek. You will be fully escorted into and out of the hunting area. It simply doesn't get any better than this.

**What time of year?** We like to hunt sheep from October 1 thru mid-November. We hunt ibex from mid-September through mid-November. Hunts can take place later in the fall or in the spring, but the weather can be very harsh with lots of snow and icy roads.

**Altitude?** These hunts take place in elevations from 11,000-15,000 feet.

**Accommodations:** Comfortable yurts, heated tents or basic lodges.

**What's included:** Firearm permits, meet & greet in Bishkek, ground transportation to/from hunting area, export documentation, guide service, basic food & beverages while in hunting area.

**Not included:** Flights to/from Bishkek, hotels and meals before or after the hunt, VIP Lounge in Bishkek (\$120), tips, shipping of trophies and items of a personal nature.

**How to get there:** Turkish Air from Chicago, New York, Houston or LAX offers direct non-stop flights to Istanbul. If you wish, we will arrange for our Turkish partners to meet & greet you in Istanbul to secure your firearm, organize sightseeing and transfer you to a good hotel. After a good rest, head to Bishkek the next evening, arriving Bishkek in the early AM. Upon arrival in Bishkek, you will be met by our crew and will be escorted throughout your trip.
